Fashion Traced to Moreau.

The nick in a coat has been a puzzle to many. It is said to date back to the time of Napoleon. A general named Moreau had many followers, but they were afraid to openly express sympathy with him. It was therefore agreed to put a nick on their coats as a secret sign. The letter M can be seen in the lapel representing the initial letter of the general's name.

BRIGHTER EVENINGS

Just History

In '76
The Colonial Dame
Spun her cloth
By Candle flame.

In 1860
In Crinoline bright,
She greeted her guests
By Coal Oil light.

And later on,
How time does pass
Her home was lit
By flickering Gas.

But the girl of to-day
Who wants her home bright,
Just presses a button
And has Electric Light.

KENTUCKY SENDS WORKER TO CHINA ON THE SOUTHERN BAPTIST MISSIONARY SHIP

The Empress of Japan, Canadian Pacific liner, on which practically 100 Southern Baptist missionaries sailed from Vancouver, B. C., August 17, for the Orient. Kentucky was represented among the missionary passengers by Robert A. Jacob, of Franklin, whose picture is shown above, and who has been assigned to educational work at Laichowfu, China. Other Kentuckians under appointment of the Baptist Foreign Mission Board to do work elsewhere include R. S. Jones, of Murray, who will teach science at Pernambuco, and Rev. and Mrs. O. P. Poarch of Louisville, who will serve as instructors in Rio College in Brazil. They will sail in September.

When approximately one hundred Southern Baptist missionaries sailed on the Canadian Pacific liner, the Empress of Japan, from Vancouver, British Columbia, Tuesday, August 17, for fields in the Orient, they formed the largest group of evangelists of the Christian religion that has ever been sent to foreign fields at a single time by a single denomination since the beginning of Christian missions.

The majority of the appointees of the Foreign Mission Board are new workers, recently come from the various educational institutions of the South where they have spent years in preparation for the duties they are about to assume in other lands.

Appointment and sending forward of so large a number of workers at a single time was made possible by the larger proceeds for missions from the Baptist 75 Million Campaign, from which \$20,000,000 will be realized for foreign missions during the five years covered by the campaign. Not all of this fund will be used in employing new workers, though approximately 500 additional men and women will be sent out during the five years. Other sums will go to providing more church buildings, schools and hospitals, homes for the missionaries and improvements of that character, including publishing houses for turning out the Bible and other religious literature. Many improvements will be made in missionary institutions already in operation on the foreign fields.

Missionary Operations Enlarged.
In the new appointees of the Foreign Mission Board—and a new record was established when sixty-six were named by it this summer—are a number of

Christian doctors, nurses, teachers, scientists and women workers, and one expert in farming and stock raising. These will supplement the work of the evangelists in that they will seek to relieve bodily suffering, teach the boys and girls, pave the way for more efficient homes by interesting mothers in sanitary housekeeping, and by their good work create in the minds of the people a favorable attitude toward the Christian religion. The instructor in agriculture and stock raising will undertake to reach many Chinese farmers with better methods of production and thus prove that the Christian missionary is the farmer's friend. The majority of the missionaries were born on the farm.

While the majority of the new appointees are going to China and Japan, others will sail in September for work in Africa, Brazil, Argentina and Chile.

World Program Is Planned.
Ten foreign fields are occupied by Southern Baptists today in Africa, Asia, Europe, South America and Mexico. The work in all these fields will be strengthened and enlarged as a result of the larger funds made available for foreign missions through the Baptist 75 Million Campaign. New fields have been opened in Europe and the Near East and a million dollars has been appropriated for launching an intensive work in Russia the moment the doors of opportunity are opened there. The Board is greatly strengthening its work in Palestine and hopes ultimately to give the gospel to hundreds of thousands of people in the land which witnessed the earthly labors of Jesus Christ.

Dr. J. B. Gambrell, of Fort Worth, Texas, president of the Southern Baptist Convention, and Dr. E. Y. Mullins of Louisville, Ky., president of the Southern Baptist Theological Seminary, are now on a visit to all the Baptist families of the world, conveying to them the greetings of good will from Southern Baptists and laying the foundation for a fuller Baptist program for the evangelization of the world.

Money Apportioned to Mission Fields.

In the distribution of funds to new work among the various mission fields occupied by Southern Baptists the following appropriations have been made by the Foreign Mission Board: Africa, \$233,925, calling for 31 new missionaries; Argentina, \$263,550, calling for 17 new missionaries; Brazil, \$1,339,100, calling for 54 new missionaries; Chile, \$58,900, calling for six new missionaries; China, \$3,279,125, calling for 331 new missionaries; Europe and the Near East, \$3,558,953; Japan, \$819,000, calling for 40 new missionaries and Mexico, \$420,000, calling for eight new missionaries.

Work in Homeland Fostered.
While a large sum from the campaign is appropriated to foreign missions, home interests have not been overlooked. Appropriations to home objects include \$12,000,000 for home missions; \$11,000,000 to state missions; \$20,000,000 to Christian education, or the better equipment and partial endowment of the 114 educational institutions owned by Southern Baptists; \$4,800,000 for the thirteen Baptist hospitals in the South; \$4,039,688 for the sixteen orphanages, and \$2,500,000 for the relief of aged ministers and their dependent families.

DON'T BE MISLED

Paris Citizens Should Read and
Heed This Advice

Kidney trouble is dangerous and often fatal.

Don't experiment with something new and untried.

Use a tested kidney remedy. Begin with Doan's Kidney Pills. Used in kidney troubles 50 years. Recommended here and everywhere.

A Paris citizen's statement forms convincing proof.

It's local testimony—it can be investigated.

Mrs. Chas. McCord, South Pleasant street, says: "I have used Doan's Kidney Pills at different times, getting them from Oberdorfer's Drug Store and I have found them a splendid kidney medicine. Whenever my kidneys have acted irregularly or my back has been weak and lame, I have found a box or so of Doan's Kidney Pills sufficient to cure me of the attack."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McCord had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

NORTH CAROLINA DEFEATS SUFFRAGE MOVE.

RALEIGH, N. C., Aug. 23.—The Federal suffrage amendment was defeated by the North Carolina House of Representatives Thursday by a vote of 71 to 41.

The Senate having already voted to postpone consideration of the amendment until the regular session of the Legislature next January, the action of the House Thursday virtually ends the ratification fight in this state until that time.

A straight out rejection resolution reported by the Constitutional Amendment Committee, was tabled by the House without a dissenting vote until the ratification resolution had been defeated.

Vote upon the ratification resolution was precipitated by the anti-suffrage forces without debate.

THE CZAR'S PROPERTY.

Basing the judgment on the testimony of the Grand Duchess Xenia Alexandrovna, the British High Court of Justice has declared that Nicholas, Czar of all the Russias, died on July 16, 1918, at Ekaterinburg, and that he died intestate, leaving no widow or child. The court has appointed the Czar's sister as administrator of his property in the United Kingdom, but it is a pathetic little estate that she inherits from the ruler who once was one of the richest men in the world. The entire property is worth only about five hundred pounds—less than twenty-five hundred dollars.

Paradox.

Matherson surprised his friends at the club one evening by rising to leave much earlier than usual. "Why this haste?" said one of his friends. "The night is still young." "I know," replied Matherson; "but I promised my wife to be home by ten-thirty tonight and if I miss the last train I shall catch it!"

SAY "DIAMOND DYES"

Don't streak or ruin your material in a poor dye. Insist on "Diamond Dyes." Easy directions in package.

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly!

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

REGULAR TASKS

The city child has no regular job. There is not usually any form of work that he can do regularly in his congested home. He becomes impatient of industry, and acquires the habit of loafing.

The country child is given little chores to do about the house and barn from a very early age. This develops his responsibility and his initiative. This is the reason why the majority of men who make business successes come from the country.

Day dreaming is one of the reasons many a man finds life a nightmare.

THE UNIVERSAL CAR

The Ford car can well be called the "people's car," because there are more than 3,000,000 of them in daily operation. That is about four to one of the nearest follower in the motor car industry. This would not be so if the Ford car had not for sixteen years proven its superiority in service, in durability, and in the low cost for operation and maintenance; this would not be so if the Ford car was not so easy to understand, so simple in construction that anybody and everybody can safely drive it.
